### KIND HEART RELIEVE CURRENT WISH LIST:

We often have volunteers and fundraisers asking what our current needs are at Kind Heart Relieve, this list is not exhaustive, but please use it as an indicator of some of the items that would be very helpful for the running of the office, for the children returning to school and for our rescue outreaches.

We are keen to boost the local economy at the same time and many of these items are readily available in Uganda so it may be easier to bring a monetary contribution with a specific allocation to the 'wish list' and we can purchase these items here in Uganda.
